CORPORATE PROFILE

AERO

Visual Brilliance

AERO stands as a pioneering force and digital powerhouse in the display industry, spearheading innovation with its revolutionary approach to addressing the ever-evolving needs and preferences of

consumers. Through relentless commitment to technological advancement and customer-centric strategies, AERO sets new standards, driving transformative change in the realm of display solutions.

INTRODUCTION

AERO is a leading force in the display industry, known for innovation and customer-centric strategies.

We serve diverse clients across sectors like HNI homes, retail, hospitality and offices, offering cutting-edge display solutions.

Our range includes cutting-edge commercial display

solutions, 4K and Ultra HD LED walls, LED/LCD panels, digital posters, waterproof Mirror TVs, interactive flat panel displays, LED cubes, holographic displays, square TVs, customizable options and much more.

We aim to elevate environments with exceptional visual experiences, driven by advanced technology and meticulous manufacturing processes.

AERO prides itself on delivering cutting-edge and customizable commercial display solutions that stay ahead of emerging trends and technology. With a blend of innovation and a keen focus on performance, we prioritize not only the technological superiority of our products

but also their aesthetic appeal, ensuring they seamlessly integrate into our customers' homes or offices. Our team comprises the industry's brightest and most dedicated engineers and strategists, driving our commitment to excellence in every aspect of our business.

LEADERSHIP

MR.SUNIL KHERA
FOUNDER & CEO

Mr. Sunil, the visionary founder of Aero Digital World, has been a trailblazer in the industry for over 35 years. As one of the pioneers in India, his extensive experience has been instrumental in elevating the company to new heights. With a deep expertise in distribution networks and brand development, Sunil has successfully driven the company's growth and expansion.

MR. TANUJ KUMAR DHAND
MANAGING DIRECTOR

Mr. Tanuj, a seasoned professional with a background in apparel merchandising, serves as the Managing Director of the company. A graduate of NIFT Delhi, he discovered his true passion in the Audio Visual industry. With 30 years of experience, he has played a pivotal role in the company's growth and development, leveraging his expertise in marketing, sales, brand promotion, and new product innovation.

Mr. Akash Arora
DIRECTOR

Mr. Akash, a Hotel Management graduate with a Master's in Marketing, found his true calling in the Audio Visual industry, driven by passion and curiosity from the very beginning. With 13 years of experience, he has witnessed and guided significant transformations in the AV industry, particularly in display solutions, and has played an active role in the brand's growth and development.

Product Portfolio
